

WCSMO13

World Congress of Structural and Multidisciplinary Optimization
— May 20-24, 2019, Beijing, China

Welcome to WCSMO13 in 2019

Welcome to the 13-th World Congress of Structural and Multidisciplinary Optimization (WCSMO) to be held at China National Convention Center, Beijing, China during May 20-24, 2019. WCSMO aims for providing a platform for researchers and practitioners to present and discuss the latest findings and development in all areas of structural and multidisciplinary optimization. The Congress will also offer you a great opportunity to explore the integration of modern development into old culture in China. We look forward to meeting you in Beijing in May 2019.
